RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

In response to the Notice mailed July 7, 2005, please make the following correction:

On page 8, line 3 please change "8c" to --8d--, such that the sentence reads as follow:

" Fig. 8d is a intake valve lift versus piston position as the valve lift is generated by the cam follower tracing the path shown in FIG. 8b."

Please call me if there are any questions.

Respectfully submitted,

Steven J. Rosen
Attorney for the Applicants
